ROOFS
that RESIST
modern conditions
PERMANENTLY

TYPICAL users of CELLACTITE for Roofs and Vertical Covers include the Egyptian State Railways, leading Aircraft Cos., etc., etc. Each year more and more roofing contracts specify it—for time has proved that CELLACTITE abolishes upkeep costs. The steel core of CELLACTITE corrugated sheets makes breakage impossible, and the tough bonded coating of asbestos felt protects the steel from all corrosive influences. Thus CELLACTITE provides a permanent roof needing no paint, no repairs—a roof that will withstand the worst corrosive conditions indefinitely.

(1) Impermeable CELLACTITE Asbestos-asphalte Felt, bonded on to (2) Bitumen-coated corrugated steel sheet. (3) The special acid-proof, non-drip inside layer.

For Long Range Radio

Get them with Mullard valves—those elusive foreign stations hovering like shadows on the edge of your receiver's range-limit. A change to Mullard valves will bring them all in—loud, clear, certain.

It's amazing how the extra sensitivity of the Mullard P.M. filament improves the performance of any radio set. Each valve stage gives an extra Punch.

Why DAYMARK blades give

FOR ALL
3-PEG
RAZORS

CLEANER SHAVES

Every Myatt Blade is 'Daymarked' with the days of the week so that you use each side in regular rotation. Working the edges evenly and resting them in turn enables the steel to retain its keenness. That's why a Myatt Daymark Blade shaves smoother, lasts longer and saves money.

**CIVIL SERVICE ORDERS IN COUNCIL, GENERAL REGULATIONS
AND SCHEDULE OF CIVIL UNIFORMS**

M

CIVIL SERVICE.

REGULATIONS FOR ADMISSION AND CONDITIONS OF SERVICE AS LAID DOWN BY ORDERS IN COUNCIL.

(1.) CIVIL SERVICE CONSOLIDATION ORDER IN COUNCIL, 1910.*

Extract from Treasury Letter of 19th January, 1910.

This Order consolidates so much of the various Orders relative to the Civil Service of the Crown as is still in force, and also amends such Orders in certain particulars where experience has shown amendment to be desirable.

These amendments are for the most part purely formal, but some are substantial, and I am directed to invite attention to the following, which are the most considerable.

The rules contained in the eight clauses of Part II of the Consolidated Order are applicable to all permanent officers in the Civil Service.

It will be observed that the force of an Order in Council is thus given to certain regulations which have hitherto been binding only upon the officers to whom the two Orders of 1890, viz., that of 21st March and that of 15th August, applied.

The regulations in question are those relative to the keeping of attendance books, the hours of daily attendance, and the granting of alternate Saturday half-holidays.

Clause 16 (Part II) merely re-enacts the substance of the Order of 29th November, 1884, which since that date has been binding upon the Civil Service in relation to candidature for the House of Commons.

Clause 18 (Part II) contains a substantial alteration of the rules with regard to the suspension of, and restoration of suspended, increments of salary which are prescribed by Clause 5 of the Order of 21st March, 1890 (as amended by Clause 17 of the Order of 29th November, 1898), by Clause 20 of the Order of 29th November, 1898 (as amended by Clause 2 of the Order of 29th May, 1905), and by Clause 20 of the Order of 21st December, 1907.

Hitherto, whenever Heads of Departments have used the powers given to them by the Orders quoted, they have been compelled to suspend the increments for the full incremental period (*i.e.*, in practice for one year). The effect has consequently varied with the accidental relation between the date of the misconduct which led to the suspension of the increment and the date on which the next increment would normally have accrued.

The object of the alteration now made is to allow Heads of Departments greater latitude in the matter of restoring increments so suspended, a change which will have the effect of enabling the punishment to be better proportioned to the gravity of the particular case.

PRESENT :

The KING's Most Excellent Majesty in Council.

WHEREAS by several Orders in Council, dated respectively 21st May, 1855, 26th April, 1862, 5th February, 1870, 4th June, 1870, 19th August, 1871 (of which date there are two such Orders), 9th August, 1872, 17th March, 1875, 10th December, 1875, 12th February, 1876, 27th June, 1876, 9th December, 1876, 22nd March, 1879, 28th June, 1880, 15th July, 1881, 29th November, 1884, 8th March, 1888, 15th September, 1887, 17th November, 1888, 28th May, 1889, 21st March, 1890 (of which date there are two such Orders), 1st May, 1890, 15th August, 1890, 18th August, 1892, 29th November, 1898, 15th September, 1902, 29th May, 1905, 12th August, 1907 (the Order of that date relating to the Office of Secretary to the Civil Service Commission), 21st December, 1907, 19th March, 1908, and 28th June, 1909, provision has been made for testing according to fixed rules the qualifications of persons who may seek or be proposed for appointment, either permanently or temporarily, to situations or employment in any of His Majesty's Civil Establishments, and for regulating the conduct of His Majesty's said Civil Establishments and the conditions of service therein.

And whereas it is expedient that so much of the aforesaid Orders as is now in force should be consolidated, with certain amendments, into one Order in Council.

1. Now, therefore, His Majesty, by and with the advice of His Privy Council, doth order, and it is hereby ordered, that, as from the date of this Order, so much of the aforesaid Orders as is now in force shall be repealed, and that the provisions following shall have effect in substitution for them :—

Provided that such repeal or substitution shall not affect the validity of anything done under or by virtue of such Orders or any of them.

Provided also that nothing in this Order shall affect any right, privilege, or exemption enjoyed by any person in His Majesty's Civil Establishments under Regulations in force at the date of the passing of this Order.

PART I.

2. Repealed by Order in Council of 22nd July, 1920. (See page 153.)

3. Repealed as from 1st May, 1923, by General Regulations made by the Civil Service Commissioners under Articles 4 and 8 of the Order in Council of 22nd July, 1920. (See page 154.)

4. Repealed as from 1st May, 1923, by General Regulations made by the Civil Service Commissioners under Articles 4 and 8 of the Order in Council of 22nd July, 1920. (See page 154.)

5. Repealed as from 1st May, 1923, by General Regulations made by the Civil Service Commissioners under Articles 4 and 8 of the Order in Council of 22nd July, 1920. (See page 154.)

6. After the candidate has passed his examination and his certificate of qualification has been issued by the Commissioners, he shall enter on a period of probation of one year, or such extended period not exceeding two years in all as may be prescribed by the Head of his Department. During this time his conduct and capacity shall be subjected to such tests as may be determined by the Head of his Department, and he shall not be finally appointed to the Public Service unless and until his probation shall have furnished to the Head of his Department satisfactory proof of his fitness.

7. Repealed as from 1st May, 1923, by General Regulations made by the Civil Service Commissioners under Articles 4 and 8 of the Order in Council of 22nd July, 1920. (See page 154.)

8. When a person has been selected for appointment to an office in any Department, and the state of business in that Department makes it necessary that he should enter upon his duties before the issue in his favour of a certificate by the Commissioners, the Treasury may, if they think proper, direct that his salary shall be payable from the date on which he commences the discharge of his duties, provided that they are satisfied that the delay in the issue of the certificate is owing wholly to causes beyond his control. If such person is on a scale of salary, the first incremental period of such scale shall be reckoned from the date on which his salary became payable, provided that a certificate shall in the meanwhile have been issued by the Commissioners.

9. Repealed as from 1st May, 1923, by General Regulations made by the Civil Service Commissioners under Articles 4 and 8 of the Order in Council of 22nd July, 1920. (See page 154.)

PART II.

Rules applicable to all Permanent Officers in His Majesty's Civil Establishments.

12. It shall be competent for the Treasury to direct, should they see cause, that inquiry be made at intervals of not less than five years into the pay and numbers of officers employed by any Department of State.

13. Attendance Books shall be kept in every Department for the purpose of recording the times of arrival and departure of persons employed therein.

14. Officers are required to attend not less than seven hours a day, but they shall be allowed a half-holiday on alternate Saturdays, provided that the Head of their Department is satisfied that the progress of the public business will not be prejudiced thereby.

15. It shall be competent for the Head of any Department to call upon any officer of such Department to retire at any time after reaching the age of sixty on such pension as by the length of his service he is qualified to receive.

Retirement shall be compulsory for every officer on attaining sixty-five years of age. But in special cases the Treasury may, at the instance of the Head of a Department, extend an officer's employment for a further period, not exceeding five years, on being satisfied that such officer's retirement at sixty-five would be detrimental to the interests of the Public Service.

16. Any officer seeking a seat in the House of Commons shall resign his office so soon as he issues his address to the electors, or in any other manner publicly announces himself as a candidate.

17. No officer shall be allowed to accept any part in the management of any society, or any trading, commercial, industrial, or financial firm or company which would require the attendance of such officer at any time between the hours of 10 a.m. and 6 p.m.

18. An annual increment of salary shall not be allowed to any officer at the date at which it would in ordinary course become due without a certificate from his immediate superior, countersigned by the Head of the Department, or such person as he may designate for the purpose, to the effect that the service of such officer during the year preceding the date of such certificate has been approved.

Provided that, if, at the date when the increment would in ordinary course become due, the certificate

cannot be given, the Head of the Department may specify a period from the expiration of which, if the officer's service in the meanwhile has been approved, the increment may be allowed, and may from time to time extend the period so fixed. If the officer's service after the grant of the deferred increment shall continue satisfactory, the Head of the Department may, if and when he thinks fit, increase the salary to an amount not exceeding that at which it would have stood if no increment had been withheld or deferred. Every such increase shall be reported to the Comptroller and Auditor-General.

19. Repealed as from 1st February, 1929, by Regulations made by the Treasury under Article 6 of the Order in Council of 22nd July, 1920. (See page 157.)

PART III.

Rules applicable to Permanent Officers in His Majesty's Civil Service drawing Salaries or placed on Scales of Salary in excess of those of the Second Division.

20. Promotion of officers to whom Part III of this Order applies from one class to another shall be strictly according to merit, and shall take place subject to the following conditions:—

- (1.) That there is a vacancy in the higher class which, under the arrangements sanctioned for the time being by the Treasury, it is competent for the Head of the Department to fill;
- (2.) That the work of the Department requires such vacancy to be filled;

(2.) ORDER IN COUNCIL OF 22ND MARCH, 1918.

(3.) ORDER IN COUNCIL OF 23RD OCTOBER, 1918.

(4.) ORDER IN COUNCIL OF 18TH DECEMBER, 1918.

Repeated as from 1st May, 1923, on issue of General Regulations under the Order in Council of 22nd July, 1920. (See page 154.)

(5.) ORDER IN COUNCIL OF 15TH APRIL, 1919.

WHEREAS by an Order in Council dated the 10th January, 1910, and known generally as the Civil Service (Consolidating) Order in Council, 1910, as amended by two Orders in Council dated the 22nd March, 1918, and 18th December, 1918, provision has been made for testing according to fixed rules the qualifications of persons who may seek or be proposed for appointment, either permanently or temporarily, to situations or employment in any of His Majesty's Civil Establishments, and for regulating the conduct of His Majesty's said Civil Establishments and the conditions of service therein:

And whereas it is expedient that the promotion of suitable officers should be facilitated:

NOW, THEREFORE, His Majesty, by and with the advice of His Privy Council, doth order, and it is hereby ordered, as follows:—

(1) In Clause 36 of the Consolidating Order the words "exceptionally, after not less than eight years' service" shall be deleted and the clause shall run:—

36. A Clerk shall not be promoted from the Second Division to any post carrying a maximum salary exceeding £500 a year, or leading in the ordinary course of promotion to posts of which the maximum salary exceeds £500 a year, without a special certificate from the Commissioners, to be granted upon a special recommendation from the Head of the Department, and with the approval of the

(3.) That the officer proposed for promotion has been reported by the Head of his Department or Branch as fit to discharge the duties of the higher office.

21. (9.) ORDER IN COUNCIL OF 22ND JULY, 1920.

WHEREAS by an Order in Council dated the 22nd July, 1920 (hereinafter referred to as "the principal Order"), fresh provision has been made for the appointment of Commissioners for certifying the qualifications of persons proposed to be appointed, whether permanently or temporarily, to situations or employments in any of His Majesty's Civil Establishments, and for the regulation of the conduct of His Majesty's said Civil Establishments and of the conditions of service therein :

(10.) GENERAL REGULATIONS RESPECTING APPOINTMENT TO HIS MAJESTY'S CIVIL ESTABLISHMENTS UNDER THE ORDER IN COUNCIL OF 22ND JULY, 1920.

(Operative as from 1st May, 1923.)

N.B.—These Regulations are liable to alteration at any time.

WHEREAS by Order in Council (hereinafter referred to as a "Principal Order") dated 22nd July, 1920, it is provided that (subject to the exception therein mentioned) the qualifications of all persons proposed to be appointed whether permanently or temporarily to any situation or employment in any of His Majesty's Civil Establishments, shall before they are appointed be approved by the Civil Service Commissioners, and no person shall be so appointed until a certificate of his qualification has been issued by the Commissioners;

And whereas it is provided by Clause 4 of the Principal Order that the Commissioners may, subject to the approval of the Treasury, make regulations prescribing the manner in which persons are to be admitted to His Majesty's Civil Establishments or to any situation or class of situations therein, and the conditions on which the Commissioners may issue certificates of qualification for the purposes of the Principal Order;

And whereas it is provided by Clause 8 of the Principal Order that Articles 2 and 10 of the Consolidated Order in Council dated 10th January, 1910, shall be repealed as from the date on which the Principal Order came into operation, and that the other provisions of the Orders recited in the Principal Order should be repealed as from the date on which regulations are made under the Principal Order repealing or re-enacting with or without modifications those provisions :

Now, therefore, the Civil Service Commissioners with the approval of the Treasury make the following regulations.

These regulations prescribe the conditions on which the Commissioners may issue certificates of qualification for admission to any situation or employment in His Majesty's Civil Establishments. These regulations are General Regulations applicable to both sexes and all situations. Words importing the masculine gender

or the male sex in these Regulations denote either sex unless specific exception be made in the context.

AGE.

1. Every candidate shall satisfy the Commissioners that he is within the limits of age (if any) already prescribed or hereafter in due form prescribed for the situation or employment to which he desires to be admitted. From the actual age of the candidate such deduction shall be made on account of military service, civil service, or otherwise, as is laid down in regulations for the situation or class or group of situations to which he desires to be admitted.

2. If no limit of age is prescribed by Regulations for the situation or class or group of situations concerned, the candidate shall satisfy the Commissioners that his age is suitable to the duties of the post which he seeks; but no person not already holding an established post shall be appointed to an established situation at an age exceeding 50 without the consent of the Treasury.

3. On the application of the Head of a Department and with the approval of the Treasury, the Commissioners may, if they are satisfied that there is due and sufficient cause, extend the upper prescribed limit of age for any candidate, except in an open competition.

HEALTH.

4. Subject to the provisos appended to this clause every candidate shall satisfy the Commissioners that he is free from any physical defect or disease that would be likely to interfere with the proper discharge of his duties.

Provided that where an officer holding a pensionable situation in any of His Majesty's Civil Establishments is nominated by the Head of a Department for the issue of a certificate of qualification in respect of his promotion in the same Department, or of his transfer to another Department, the Commissioners may, at their discretion, if they see fit, grant their certificate of qualification on being satisfied that he is fully qualified in respect of age, character, knowledge and ability, without requiring evidence as to freedom from physical defect or disease, provided they are satisfied that the situation to which he is promoted or transferred does not require a higher degree of physical capacity than the situation which he already holds.

Provided also that in the case of persons whose health has been impaired by reason of service in His Majesty's Forces during the Great War, the Commissioners may on the conditions and in the manner prescribed by the Order in Council of 22nd March, 1918,* issue modified (War) Certificates and Special Recommendations which shall have effect as laid down in that Order and as if that Order had been part of the Regulations now made under the Order of 22nd July, 1920.

CHARACTER.

5. Every candidate shall satisfy the Commissioners that his character is such as to qualify him for the situation or employment which he seeks.

KNOWLEDGE AND ABILITY.

6. Every candidate shall satisfy the Commissioners that he is qualified in respect of knowledge and ability to discharge the duties of the situation which he seeks.

7. The tests shall be such as are prescribed by the regulations (if any) for the situation or group of situations to which the candidate desires to be admitted.

The normal method of entry will be by means of competitive examinations, according to regulations framed or to be from time to time framed by the Civil Service Commissioners, and approved by the Treasury, open to all persons of the requisite age, health, character and other qualifications prescribed in the said regulations who may be desirous of attending the same upon application made at the time and in the manner prescribed and subject to the payment of the fees from time to time prescribed. Such examinations shall be held at such periods, and for such situations or groups of situations, as the Commissioners with the approval of the Treasury, shall from time to time determine.

8. Where in exceptional cases no regulations have been made prescribing tests for the situation in question, the candidate shall satisfy the Commissioners in such manner as (having regard to the nature of the duties to be performed) they in their discretion may require of his fitness in respect of knowledge and ability for the duties of the post that he is seeking.

9. Where tests are prescribed for any situation, the regulations will lay down whether they shall be qualifying tests of candidates nominated by the Head of a Department, or competitive tests, and if competitive whether among candidates nominated by the Head of a Department or open to all persons who satisfy the conditions prescribed, and whether by examination or by examination and interview or by interview or otherwise.

10. The Commissioners may, if they think fit, dispense wholly or partly with any examination, competitive or qualifying, prescribed for any situation or group of situations if one or other of the following conditions be fulfilled:—

(a) That the Head of the Department and the Treasury consider after inquiry in the Civil Service that for a particular situation qualifications wholly or in part professional, or otherwise peculiar and not ordinarily to be acquired in the Civil Service, are required. The relevant particulars of every such case shall be published in the *London Gazette* and included in the Annual Report of the Civil Service Commissioners.

(b) That the candidate or group of candidates concerned having been employed in a quasi-permanent capacity on work which has proved to be of a permanent character, and having given throughout a sufficient period of trial proof of fitness to perform the duties required, are put forward with the approval of the Treasury by the Head of the Department for establishment.

(c) That it has been proved to the satisfaction of the Treasury and the Commissioners that the transfer or promotion of an established Civil Servant from one post to another not in customary course of promotion is desirable in the interests of the public service.

In every case falling within any of the classes (a), (b), (c), the Commissioners shall require such evidence as they think desirable to satisfy them of the fitness of the candidate in respect of knowledge and ability.

(d) That the Head of the Department has satisfied the Treasury and the Civil Service Commissioners that the admission of a particular candidate to a specified situation is for special and exceptional reasons justified by the needs of the public service and the proved merit of the individual. The relevant particulars of every such case shall be published in the *London Gazette* and included in the Annual Report of the Civil Service Commissioners.

* Published in War Office List, 1922, page 214. Article 3 of the Order in Council of 22nd March, 1918, as modified by Treasury Letter No. E. 9585, dated 13th December, 1922 (published in Office Memorandum No. 1517 (12)), was repealed as from 1st February, 1929, by Regulations made by the Treasury under Article 6 of the Order in Council of 22nd July, 1920. (See page 157.)

REINSTATEMENT AND REDUCTION.

11. In any case in which the Head of a Department with the approval of the Treasury nominates a candidate for reinstatement in the Civil Service or for appointment to a situation inferior to that which he already holds the Commissioners may dispense with any further test of knowledge and ability.

NATIONALITY.

12. Every candidate shall satisfy the Commissioners that he or she is a natural-born British subject, the child of a person who is or was at the time of death a British subject.* Provided that exception may be made—

- (a) In the case of candidates who are serving in a civil situation to which they were admitted with the certificate of the Civil Service Commissioners.
- (b) In the case of persons who, being British subjects, and having served in His Majesty's Armed Forces in the Great War between 4th August, 1914, and 11th November, 1918, are serving and have served for not less than six months in unestablished uncertificated employment which in normal course, by departmental custom or by the grant of establishment to an unestablished class, confers a claim to nomination singly or by limited competition for established and certificated appointment and are nominated for that established and certificated appointment.
- (c) In the case of persons serving in unestablished uncertificated employment which in normal course, by departmental custom or by the grant of establishment to an unestablished class, confers a claim to nomination singly or by limited competition for established and certificated appointment, who are nominated for that established and certificated appointment, and who satisfy the rule in respect of nationality for established appointment which was in force when their unestablished service began.
- (d) In the case of natural-born British subjects, who served in His Majesty's Armed Forces in the Great War between 4th August, 1914, and 11th November, 1918.
- (e) In the case of natural-born British subjects who have satisfactorily completed a period of not less than five years' service on full pay in H.M. Regular Forces.†
- (f) In respect of appointment to the Royal Mint and its Branches overseas, in the case of persons who have acquired British nationality by any annexation of territory to the Crown, and in the case of the children of such persons who are themselves of British nationality.‡

If the Commissioners are satisfied in the case of any candidate who is a British subject, but does not fulfil all the requirements of the rule as to nationality and descent, that the candidate is so closely connected by ancestry and upbringing with H.M. Dominions that an exception may properly be made to that rule, they may accept such candidate as eligible, provided that this discretion shall not be exercisable unless (a) the father or the paternal grandfather of the candidate was a natural-born British subject, and (b) neither the father nor the paternal grandfather had acquired

any other nationality by naturalization or by any other voluntary and formal act.†

A candidate will not be eligible for assignment or appointment to the Foreign Office or services under the control of the Secretary of State for Foreign Affairs unless he is a natural-born British subject and born within the United Kingdom or in one of the self-governing Dominions of parents also born within those Territories, except when the circumstances are such as to justify a departure from the general rule, in which case, provided the candidate satisfies the conditions prescribed by the preceding paragraphs of this regulation, he may be admitted to appointment or competition by special permission of the Secretary of State for Foreign Affairs.

FEES.

13. Candidates shall pay fees in such manner at such times and in such amounts as the Commissioners with the approval of the Treasury have prescribed or shall from time to time prescribe in regulations or other notice published in the *London Gazette*.

The Commissioners may, with the like approval, exempt from the payment of fees such classes of persons as they may think fit to exempt. Every such exemption shall be published in the *London Gazette*.

The Commissioners, with the like approval, by notice in the *London Gazette*, cancel any preceding notice therein, or any part thereof, and may, by such or by any further notice, vary the amount of the fees to be paid by persons attending examinations held by them, or the manner, or the time, of paying such fees, or the classes of persons required to pay them, or exempted from paying them.

REPEAL.

14. Articles 3, 4, 5, 7, 9 and 11 of the Consolidated Order in Council of the 10th January, 1910, and the associated orders in Council of the 22nd March, 1918, 23rd October, 1918, 18th December, 1918, and 9th December, 1919, are hereby repealed.

Provided that all Regulations and rules for the admission of candidates to situations in the Civil Service made by the Commissioners under the Order in Council of 10th January, 1910, or under other Orders and still in force are hereby confirmed and shall remain in force until fresh or amended regulations or rules are made by the Commissioners under the Orders in Council of 22nd July, 1920, or one of them.

Note as to procedure for settling Regulations for particular situations, classes of situations, or groups of situations.

Subject in both cases to the provisos in Clause 2 of the Principal Order above mentioned,

- (a) Regulations as to conditions of entry into any situation, class of situations, or group of situations, peculiar to one Department, will be agreed between the Head of the Department and the Civil Service Commissioners and submitted to the Treasury for their approval.
- (b) Regulations as to conditions of entry to any class of situations or group of situations common to two or more Departments will be framed by the Civil Service Commissioners and submitted to the Treasury for their approval.

(11.) ORDER IN COUNCIL OF 28TH JUNE, 1926.

WHEREAS by Article 2 of an Order in Council dated the 22nd July, 1920, it was provided that no person should be appointed to any situation or employment in any of His Majesty's Civil Establishments until a certificate of his qualification had been issued by His Majesty's Civil Service Commissioners:

And whereas it was further provided by proviso (b) to the said Article 2 that it should not be necessary for any person who at the date on which the said Order came into operation held a certificate of qualification from the Commissioners to obtain a new certificate of qualification on being appointed either by transfer or promotion to a situation which, in the opinion of the Commissioners, was similar to the situation in respect of which he already held a certificate or might properly be filled in customary course of promotion from the class or grade of situation in respect of which the existing certificate was issued:

And whereas it is expedient to amend the said Order by substituting a new proviso for the said proviso (b) to Article 2, and to provide that the said amendment shall operate as from the commencement of the said Order.

Now, therefore, His Majesty is pleased, by and with the advice of His Privy Council, to order, and it is hereby ordered, as follows:—

The said Order shall have effect, and be deemed always to have had effect, as if the following proviso were therein substituted for proviso (b) to Article 2 thereof:—

"(b) It shall not be necessary for any person to whom at any time a certificate of qualification has been issued and who holds any situation, being either a situation in respect of which a certificate was issued or any other situation to which he was duly transferred or promoted from that situation without a certificate of qualification, to obtain a new certificate on being appointed either by transfer or promotion to a situation which, in the opinion of the Commissioners, is similar to or is such as is normally filled by appointment from the class or grade of the situation in respect of which he then holds."

(12.) REGULATIONS DATED THE SIXTH DAY OF JUNE, 1929, MADE BY THE TREASURY UNDER ARTICLE 6 OF THE ORDER IN COUNCIL DATED THE 22ND JULY, 1920, WITH RESPECT TO THE SICK LEAVE PAY TO BE ALLOWED TO CIVIL SERVANTS TO WHOM THE PROVISIONS OF ARTICLE 19 OF THE ORDER IN COUNCIL OF 10TH JANUARY, 1910, HAVE HITHERTO BEEN APPLIED.

In pursuance of Article 6 of the said Order of 22nd July, 1920, the Treasury hereby make the following Regulations:—

1. Sick leave may be granted by the Head of his Department to any officer to whom these regulations apply subject to the following conditions, viz.:—

(i)—(a) After two days' continuous absence a certificate by a duly qualified medical practitioner shall be furnished stating the cause of such absence; and further medical certificates shall be furnished from time to time thereafter as may be required by the Head of the Department.

(b) If the number of days during which any officer is absent on sick leave in any period of twelve months without such certificate shall exceed seven in the aggregate, the number of days of absence in excess of seven shall be deducted from the amount of the ordinary annual holidays allowable.

(c) Provided there is a reasonable prospect supported by medical certificates of eventual recovery, sick leave on full pay may be allowed for a period not exceeding six months in the aggregate during any period of twelve months, and thereafter sick leave on half-pay, subject always to a maximum of twelve months' sick leave in any period of four years or less. Where sick leave is not continuous, six months' and twelve months' sick leave shall be taken for this purpose as 183 and 365 days respectively, including Sundays and public holidays occurring within a period of sick leave.

(d) When an officer's sick leave exceeds in the aggregate twelve months during any period of four years or less, no pay shall be allowed during any further sick leave except with the consent of the Treasury.

(e) Sick leave in excess of twelve months during any period of four years or less shall not be reckoned for the purposes of increment or pension.

(ii) When the limit referred to in Clause (i) (d) of this regulation has been reached, the Treasury may allow pay during any further sick leave at a rate not exceeding the amount of pension (if any) for which, at the expiration of twelve months' sick leave, the officer would have been qualified, or half pay, if this is less.

(iii) When full or half pay has once ceased under this Regulation an officer shall not revert to such pay during the same absence on sick leave. Unless an officer is fit for duty, ordinary leave shall not be allowed in immediate succession to sick leave.

(iv) In the application to the case of officers holding Modified (War) Certificates of the foregoing clauses of these Regulations the following modification shall be made, that for the first five years of service after the date of the certificate any civil pay allowed during sick leave in excess of three months in the aggregate in any year shall be reduced to such amount as, with any pension or retired pay and allowances on account of Great War disability payable in respect of the period of sick leave, will not exceed the full civil pay of the officer in respect of that period.

Provided that where the amount of pension or retired pay and allowances (on account of Great War disability) is calculated by reference to considerations of length of service in addition to disablement, rank and family, the amount to be taken into account shall be limited to the amount of pension or retired pay and allowances, calculated by reference only to disablement, rank and family which would have been awarded to the officer if no considerations of service had been taken into account.

Provided also that in the case of an officer who, if he had retired on the ground of ill-health at the commencement of the period of sick leave, would have been qualified for a pension, if the amount of the reduced civil pay during sick leave is less than the pension which, if he had so retired, would have been payable to him in respect of the period of sick leave, it may, with the consent of the Treasury, be increased to an amount not exceeding the amount of such pension.

2. These Regulations shall be applicable to Civil Servants to whom the provisions of Article 19 of the Order in Council of 10th January, 1910, have hitherto been applied, and shall come into force with effect from the 1st day of February, 1929.

3. Article 19 of the Order in Council dated 10th January, 1910, Article 3 of the Order in Council dated 22nd March, 1918, and the Regulations dated 30th November, 1922, made by the Treasury under Article 6 of the Order in Council dated 22nd July, 1920, are hereby repealed.

Dated this sixth day of June, 1929.
